PROJECTS

QuickSlots Extension

[Link to Demo](#)

A Chrome Extension that provides quick access to frequently used websites through customizable shortcuts. It helps users improve productivity by reducing the time spent searching for websites and offers an easy-to-use interface for managing shortcuts.

FocusMode Extension

[Link to Demo](#)

A Chrome Extension designed to improve focus and productivity by hiding distracting elements on YouTube, such as Shorts and recommended videos. It also includes features to help users maintain a distraction-free learning experience.
